### **AUTHOR**

Caroline is the author of six books, including the bestselling [My Name is Caroline](#) (Doubleday 1988), which was an Alternate Selection of the Literary Guild, and [Positively Caroline](#) (Cogent 2013), its sequel. [Creating Your Best Life](#) (Sterling 2009), is the first mass market self-help book on the science of happiness and how it intersects with the science of accomplishing goals. It is used as a textbook in numerous coaching and Positive Psychology classes around the world, and was lauded by the "father of Positive Psychology," Martin Seligman, in his book *Flourish*. Seligman says that Caroline "added a major missing piece to the world of coaching" because of her ground-breaking and evidence-based connection between Positive Psychology and success. Her workbook, [Your Happiest Life](#), is a four-week guide to help users learn how to set and accomplish goals in a step-by-step way through science-based activities and proven techniques. Caroline's next book, [Getting Grit](#) (SoundsTrue 2017), will discuss why this character strength is so important to a flourishing life, who has it, and how to cultivate, amplify, and teach it.

### **PROFESSIONAL COACH**

Since 2000, Caroline has coached hundreds of individuals, from senior executives to professional athletes, and parents to politicians. She is a Professional Certified Coach (PCC) through the International Coach Federation.

### **EDUCATOR**

Caroline is one of the first happiness experts to join and advise [Happify](#), the world's largest pioneering online tool dedicated to assessing and amplifying well-being through evidence-based games and activities. She created their goal-setting and grit tracks.

Caroline is a popular presenter in the University of Pennsylvania's Wharton Business School Executive MBA program, where she is considered one of the world's experts on the science of goal-setting, grit and their intersection with Positive Psychology. She was an adjunct lecturer in Positive Psychology and coaching at NYU's School of Continuing and Professional Studies, and at the University of Texas-Dallas School of Management for almost a decade. She does webinars and training for dozens of organizations, including the [VIA Institute on Character](#) about well-being, productivity, grit, and success.
